

Driscoll's[®]

Only the Finest Berries[™]

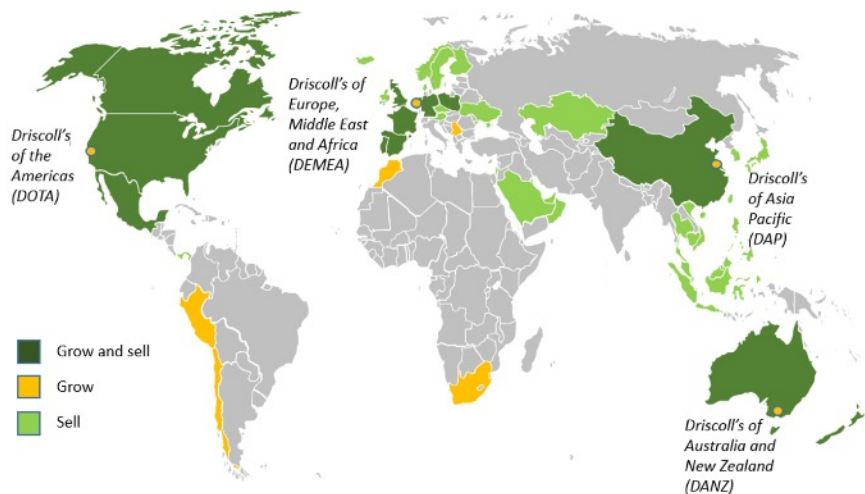

Our Mission:

To continually **delight** Berry Consumers
through alignment with
our Customers and our Berry Growers.

100 Years of Heritage: Delivering Delight

Driscoll's develops exclusive patented berry varieties using only natural breeding methods that focus on growing great tasting berries. Driscoll's unique business model allows for about 85% of our revenue to go back to the local independent farms that grow our berries.

- 4 berries under 3 segments; conventional, organic and premium
- Global across 22 countries and 6 continents
- Over 350 million consumers around the world
- Close to 900 independent growers who employ thousands around the world

One Family, One Earth™

Telling the stories of how the individuals that make up the Driscoll's family build longevity for their farms, their communities, and the earth.

One Family, One Earth™

Bringing our Vision to Life: Enriching the lives of everyone we touch

Driscoll's focus is on Social & Environmental Impact areas that we believe have the highest interdependence between our business, growing communities, and the environment.

These are areas that we believe we can and should create positive long-lasting impact.

The Art of Growing

Working together with our growers to boost biodiversity, opportunity and sustainability

Environmental Stewardship

Ensuring resources are managed responsibly to protect the long-term viability of agriculture

Thriving Workforce

Safeguarding workers with labor practices that are respectful and create opportunity

Vibrant Communities

Investing in local health and education programs to promote social and physical wellness in our communities.
