

Electrical Rating	208V-240V / 60Hz / 3-Phase / 32A			
Electricity Consumption	14 kW (for 2 ovens)			
Weight	3,053 lbs	1385 kg		
Dimensions	69.2" W 1757 mm W	96.6" D 2454mm D	98.3" H 2496 mm H	
Install Clearance	1" both sides 25 mm both sides	40" back 1020 mm back	10.3 front 266 mm front	1" top 25 mm top
Dimensions Including Clearance	71.2" W 1807 mm W	146.9" D 3740 mm D	99.3" H 2521 mm H	
Refrigeration System	Refrigerant: R134a			
Connectivity	Cellular WiFi Hard-wired internet connection			
Touchscreen Display Size	24"			
Oven System	2 Ovens			
Max Temperature	662 °F	350 °C		
Outdoor Operating Temperature Range	between -4°F and 104°F between -20°C and 40°C			
Adjustable Temperature and Time Settings	Yes			
Pizza Storage Capacity	96 pizzas			
External Material	Painted Stainless Steel			
Cover Design Material	Wrap: 80 microns Vinyl Adhesive : Acrylic-Based Backing : PE-coated StaFlat + 75 microns PVC Minimum Durability : 7 Years with Vertical Exposure in Central European Climate			
Customized Cover Design	Optional			
Bank Card Reader	Ingenico			
Contactless Card Reader	Ingenico			

Office: 929.255.1231
